No. W/3756-A. Dated 9th August 1933.

The First Assistant to the Hon'ble the Resident in Mysore,
Bangalore.

Sir,

Approach Road to be relinquished to the Municipal Authorities at Bangalore Cantonment.

---

I have the honour to inform you that the approach road within the Railway limits at Bangalore Cantonment was in a bad state of repairs in 1931 and the Executive Engineer, C & M Station addressed the District Engineer pointing out that the road did not belong to the Municipality and asked the Railway Administration to repair it.

The road was accordingly repaired but there seems to be no necessity for this Administration to maintain this piece of road which although within Railway limits is used very largely by the public. It is therefore proposed to relinquish the approach road to the Cantonment Municipal Authorities.

I forward herewith, in duplicate, relinquishment plan with schedule marked thereon showing 1.30 acres of land in Bangalore Cantonment, Bangalore Taluk, Bangalore District, proposed to be relinquished to the Municipality.

The land has been conjointly verified with the Municipal Authorities and the plan countersigned by the (Executive Assistant) Engineer, Bangalore Cantonment Municipality in token of correctness.

In the circumstances, I request you to kindly arrange to take over the land from the Railway Administration.

The Assistant Engineer in charge of the sub division has

has been instructed to hand over the land to the Municipal Authorities when called upon to do so.

I have the honour to be,

Sir,

Your most obedient servant,

D. A. 2 Plans.
